**J&M FAMILY MANAGEMENT WELCOMES NEW COMMUNITY
TO AUTUMN LEAVES FAMILY OF MEMORY CARE RESIDENCES**

Memory Care Experts Expand Presence in Central Illinois

GRAPEVINE (Texas) – June 3, 2021 – J&M Family Management, LLC, a family-owned business with a passion for senior care spanning nearly two decades and the operator of Autumn Leaves®, a national leader in standalone residential memory care, announces the addition of a new community to their family of memory care residences in Savoy, Illinois.

Autumn Leaves of Savoy gives the veteran memory care experts a unique opportunity to establish an innovative community structure. The existing Savoy property features three small cottages that can accommodate 12-14 residents in each building, offering an even more intimate and home-like setting than typical large-scale assisted living residences. “We’re eager to utilize this new layout to complement the award-winning programming and individualized care that Autumn Leaves is known for,” says Jessica Akaah, COO of J&M Family Management.

J&M Family Management is excited for this opportunity to expand the Autumn Leaves Memory Care brand into the Champaign County and Central Illinois area. “With the growing impact of Baby Boomers on the senior living industry, we are hopeful that this cottage-style layout will appeal to individuals who could benefit from our person-centered care but may be hesitant to explore more traditional assisted living arrangements,” says CEO Mitch Warren. “J&M sees great potential for future opportunities with this design and new partnership.”
